

Matz-Erreka S.Coop.
B° Ibarreta, s / n.
20577 Antzuola (Gipuzkoa) Spain

"EC" CERTIFICATE OF CONFORMITY

Manufacturer : AUTOMATISMOS ERREKA

Address : B° Ibarreta s / n 20577 Antzuola (Gipuzkoa)

Declares that: The family of magnetic loops which are detailed below:

MODEL	DESCRIPTION
LBUC1	Magnetic loop detector at 230 Vac, 80 * 40 * 79 mm (1 loop)
LBUC2	Magnetic loop detector at 230 Vac, 80 * 40 * 79 mm (2 loops)
LJDM	Magnetic loop detector at 230 Vac, 170 * 135 * 85 mm (1 or 2 loops)

are made to be incorporated into a machine or to be assembled with other machines to manufacture a machine in accordance with Directive 2006/42 / EC

and meet the essential safety requirements of the following EEC Directives:

- 2006/95 / EC. Low Voltage Directive
- 2004/108 / EC. Electromagnetic Compatibility Directive

Likewise it also states that the machinery must not be put into operation until the machine into which it will be incorporated, or of which it will be a component has been identified and declared as conforming to the conditions of Directive 2006/42 / EEC and subsequent amendments.
